

## **The Class of 2013 and future Arrows need your help!**

**The last time our community approved new  
operating funds was in 1995...17 years ago!**

**In 1995 we were just babies.**

**Please Vote YES on Issue 23  
November 6, 2012**

Tecumseh Local has the long-standing tradition of offering services and programs like busing, sports, extra curriculars, art, PE, music, AP classes, and manageable class sizes to the students in the district.

Passage of this levy would avoid state oversight and ensure these quality programs for our current and future students.

**Help keep our tradition from crumbling!**
